OVERVIEW

Ron Feldman is a partner and a member of the firm's Asset Management and Investment Funds practice. Ron draws on his work in private practice and previous work in-house at investment banks to provide advice and insights to financial institutions and funds. His practice covers a broad range of counterparty transactions and their governing documentation. Transactions include derivatives as a hedge or as an investment in diverse types of underlying asset classes, securities lending transactions, repurchase transactions, collateral and margin, prime brokerage and asset custody arrangements. The advisory part of the practice covers market infrastructure regulatory matters such as the international derivatives and margin reforms and securities financing transactions.

Ron has been acknowledged by *The Legal 500 United Kingdom* in the area of Derivatives and Structured Products and in the area of Hedge Funds.

Client quotes include:

- *“Ron Feldman is very engaging and great at giving market intel and steer on regulatory and legal trends.”*
- *“Ron Feldman and his team are practical and personal and guide clients through complex topics while remaining nimble and able to meet client's needs. Clients feel it is a closer relationship than one can get elsewhere.”*

PROFESSIONAL BACKGROUND

Prior to joining the firm, Ron served as a partner in the London office of a multinational firm, where his practice area focused on the investment funds sector and advising on derivatives, UK and EU market regulatory matters, and financing transactions—including repo and stock loans, structured finance transactions, prime brokerage, and asset custody arrangements—for global financial institutions and funds.
