OVERVIEW

Pratyush Pandey is an associate in the firm's Finance practice. He is experienced in aviation finance, asset finance, general finance, and corporate and commercial matters. His extensive background encompasses a wide array of areas, including cross-border aircraft, engine, container, and ship finance and leasing transactions, as well as general corporate law and fintech.

With a client portfolio spanning the aviation industry, Pratyush has represented financiers, major operating lessors, and airlines. He employs diverse structures such as finance and operating leases, JOLCOs, secured debt, export credit agency-supported deals, and Islamic financings. His skillset extends to contract management, procurement contract review, and in-house legal counsel responsibilities for a fintech company and an institutional bank.

Pratyush is experienced in facilitating new and used aircraft and engine acquisitions and disposals, along with associated lease novation. Notably, he demonstrates the ability to efficiently oversee substantial transactions without compromising on effectiveness. His track record highlights a successful career built on versatile legal capabilities.
