OVERVIEW

Eusapia Simone is a partner and a member of the Asset Management and Investment Funds practice. Her practice focuses primarily on fund formation and investment management across various asset classes including real estate, infrastructure, private equity, venture capital and credits. She has extensive experience assisting both fund managers and institutional investors, particularly in fund structuring authorization procedures and special transactions.

Eusapia regularly advises clients regarding compliance matters, corporate governance, internal control systems, internal policies and procedures, including those concerning the remuneration and incentives schemes, as well as ESG topics.

She also provides assistance with reference to the establishment and authorization of intermediaries qualified for collective asset management; proceedings before the competent supervisory authorities; and in sanction proceedings.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Eusapia was counsel at an international law firm where she focused her practice on the banking and finance sector.
