REPRESENTATIVE EXPERIENCE

- Represented international companies in a broad range of M&A deals (such as share transfers, mergers, demergers, and business transfers), including reviewing agreement drafts, participating in direct negotiations, executing due diligence, monitoring scheduling, and submitting regulatory filings.
- Represented international and domestic companies in a wide range of labor disputes (including performance-based dismissals, redundancy-based dismissals, overtime wages, salary/bonus, and harassment, etc.) at court, as well as at labor tribunals, labor committee arbitration, mediation, etc.
- Represented international and domestic companies in a wide range of labor disputes (including performance-based dismissal, redundancy-based dismissal, overtime wages, salary, harassment) against labor unions, including major external labor unions in Tokyo and Osaka.
- Represented international and domestic companies in a number of employment transfer processes resulting from a variety of M&A transactions (such as merger, demerger, and business transfer) and advised on revisions to in-house regulations in post-M&A arrangements.
- Represented international and domestic companies regarding their restructuring processes and advised on practical redundancy measures.
- Represented international and domestic companies in liquidation and special liquidation proceedings.

- Conducted investigations relating to employee misconduct, including various types of harassment issues.
- Advised on complex issues regarding the termination of employees, directors, and contractors for both international and domestic companies.
- Led and conducted labor and employment due diligence for M&A transactions for a number of international companies.
- Advised on labor law issues to more than 50 international companies interested in establishing businesses and/or offices in Japan. Reviewed and drafted employment contracts, work rules, and other company documents.
- Advised on various types of sensitive workplace accidents.
- Conducted a number of compliance seminars on labor and employment law for both international and Japanese listed companies.
- Advised international and domestic companies on a broad range of employment matters, including on serious employment issues such as dismissal, redundancy, and change of working conditions.
- Represented international companies in a broad range of disputes (including litigation), including complicated disputes such as intellectual property, IT, and maritime disputes.
- Advised various clients on issues related to daily business operations.
- Advised on various types of consumer law related issues.
- Advised on various types of environmental law related issues.
